Price: 150.00 \$

Tippman A-5 paintball gun with the tippman auto loader (no batteries/air powered), whisper 32" barrel for longer, straighter shots and shoots quieter for stealth. 2 quick load paintball cannisters with holsters for convenience, 2 co2 canisters 20oz and a 12oz. Literally 400.00 + worth of stuff to purchase new. Used but still in great working shape and a really great set-up to show up and dominate. Only asking 150.00 won't find a better deal than this. 208-919-4163
